Esperienza Lavorativa

CRIMINOLOGIST

- Conducted in-depth research and analysis on crime trends, patterns, and statistics to inform law enforcement strategies and policies.
- Collaborated with interdisciplinary teams to develop and implement crime prevention programs aimed at reducing recidivism rates in high-risk communities.
- Utilized advanced statistical analysis and data visualization techniques to present findings and recommendations to key stakeholders in government and law enforcement agencies.
- Provided expert testimony in criminal court cases and assisted in the evaluation of criminal behavior and psychological profiles for investigative purposes.
